Mrs Hartle's Magic Moment

When Y3 were learning about rationing, they talked about the different foods children might not have been able to eat during the war. When discussing oranges and bananas, Mrs Hartle asked, "Well, where do bananas come from?" To which Evie Naughton replied, "MONKEYS!"

SCHOOL GAMES AWARD - GOLD

I am delighted to announce that the school has received the Gold Award for the School Games Mark. This represents that the school has received the highest standards in its Sports and Games Provision. The criteria is split into four components—Participation, Competition, Workforce and Clubs and we have exceeded expectation in all areas. Rest assured that your children are receiving the best sporting provision possible at the school and we are always striving to improve further. Thank you to Mrs Mansfield, PE Co-ordinator and Year 3 teacher, who spent the time completing the application and for Chorley School Sports Partnership for their continued and skilled support.

HOMEWORK CLUBS

Remember, we have 2 homework clubs to support you and your children with their homework.

You might want to use some of school's resources, you might not have a computer, or you might have a child reluctant to do their homework at home.

Wednesday, 3:15pm-4:15pm

Come along with your child to have an hour in school to work on their homework with them. This isn't staffed, but you will have space, time and resources to help you.

Thursday, 12 noon-1.00pm

Your child can come to a homework session with a member of staff to support. Make sure they have their Learning Menu with them and they know what they are working on.

Football League Victory

The boys' Football Team opened their account for the year with a double victory against All Saint's and St. Laurence's Primary School. They won their first match 5-0 and followed this up with a 2-0 win. They will have a succession of future league matches but they can't be faulted with their wonderful start. Well done to all of the boys for a great team performance and super attitude.

We train every Monday, straight after school. If anyone is available to come to help with training you are very welcome, just let us know.
