Mrs Cranage's Magic Moment

Seeing our Year 6 children try their absolute best in their SATs this week fills me with immense pride. They have worked incredibly hard all year and shown off how much they have learnt throughout their time at Eccleston. All we asked was that they try their best, and they most certainly did.
I'm the proudest teacher in the world!

THE HOTSPOT FRIDAY 18TH MAY

PSHE Week (Personal, Social, Health Education)

We look forward to a great time next week as we celebrate our PSHE themed week. We have adopted a new PSHE scheme which we will be launching and will be having a huge focus on Mindfulness.

The children will be learning how to meditate and will be taught some yoga. We will also be inviting a company to teach all of the children some basic first aid.

It promises to be a great week that will focus fully on the children's wellbeing.

Summer Holiday Club

We are delighted to announce that we will be running a summer holiday club. This will be open between 7:45am and 6pm and is open to all children of Primary age, Monday-Friday, throughout the summer. We will be charging just £20 per day and the club will be organised and run by school staff. The children will enjoy fun, structured and varied activities in the safety and familiarity of the school grounds and building.

Please complete the form that has been sent home to express your interest or collect a form from the school office.

Year 6 SATs

We would like to say a huge well done to our Year 6 children who have completed their SATs tests this week. Their attitude towards them has been first class and their progress has been clearly evident. Thanks must also go to Mrs Cranage, Mrs Catterall and all of the staff for their help and support in giving the children the best preparation possible. Rest assured, the children will continue working hard until their final day with us.

After School Club Attendance

If your child has signed up for an after school club, then we regret that we cannot allow the children to leave unless we have parental permission as we still have a duty of care for them. Whilst we try to promote a sense of commitment, if your child no longer wants to attend a club, then we ask that you inform us.
