WANT TO TRAIN TO TEACH IN PRIMARY SCHOOLS?

Open Evening—Thursday 1st
November at Eccleston Primary
School

If you know of anyone who is interested in beginning a career in teaching then we are hosting an evening on Thursday, 1st November in partnership with Shining Lights Teaching School Alliance. Come along and have a chat to some of the representatives to see what the schools direct programme can offer. This is a schools based training programme set right on your doorstep, supported by local schools and trained by teachers and leaders currently working in the profession.

THE HOTSPOT FRIDAY 12TH OCTOBER

MUSIC THEME WEEK—NEXT WEEK

Next week is theme week and the subject for this one is music. Every afternoon the children will be learning solely about music and will get the chance to play new and varied instruments. We will be welcoming various visitors to enhance the children's learning and appreciation of music and every class will be building up performing their own orchestrated musical piece based on one of the seven different continents. Thank you in advance to Mr Brindle for organising what promises to be a fun, engaging and educational week for the children.

Birthday Book—not food!

Remember, we cannot accept cakes into school as we cannot guarantee the ingredients and safety for all of the children. We also discourage sweets. Instead, if you want to mark your child's birthday, we recommend sending in a favourite book of your child which we will share with the class and then keep in the school library with a sticker showing who and when it was from so that other children can enjoy it in years to come.

Girl's Football

A huge well done to our Girl Footballers who finished top of their league. They then played against the other teams who topped their league in a Chorley Finals. They played against some very strong and established teams and we are very proud of the achievements of the girls, especially as many of them have played minimal football.

Well done Girls!

NON-UNIFORM DAY—OCTOBER 19TH

Remember, it's Non-Uniform Day next Friday. Children can come in their own clothes for the donation of a bottle or £1.

Miss Sanders' Magic Moment

All the reception children were lining up first thing Wednesday morning to go into the hall for the family assembly when I heard Mrs Rimmer say "No Archie, you need to put your lunch box back, its not dinner time yet!" Our new reception children are used to assembly being in the afternoon!

After-school Club — Pricing Change

We are changing our pricing structure for after school club to help support you further with your childcare provision. The full cost of £8.50 is remaining the same yet if you pick your child up before 4:45pm then we will only charge you £5. We want to make sure you get value for money and whilst we are proud of the provision and care we provide, we appreciate that some parents don't access the full time yet pay the same as those that do. This will take affect after October Half Term.

School Council

The junior school council children are absent today (Friday) as they have spent the day in London. They have visited the Houses of Parliament and completed workshops based on democracy. They have also enjoyed a tour of London.

As this newsletter pings into your mailboxes, the children will probably be settling down to a much deserved tea at Covent Garden.

We wish them a safe, educational and enjoyable trip.

STARS OF THE WEEK

Every week, one child in each class is chosen and celebrated in our celebration assembly for particular hard work, effort or something special. Each week we will share the winners with you...
