

Parking Issues and Boundary Close

*Having spoken to the relevant housing association, please note that parking is restricted on Boundary Close for residents only. We have good relationships with our local neighbours and community and we ask that you support us in maintaining these positive relationships. I understand that parking is a challenge, especially in winter when the volume of traffic increases, but we ask that you park considerably. If this means parking further away then please don't despair, we will gladly keep your children safe within school until you arrive.*

Christmas Cards and Post Box

On Monday, we will be bringing out our Christmas post box. If your child intends to send out cards then we ask them to drop them in the post box which will be in the school entrance.

Please ensure the child's first name, surname **and class** are written on the front to avoid any confusion.

A Trip Down Memory Lane...

We have had a photo in from one of our parents, Stuart Reeves (well, his wife!), of him starring in a nativity here at school (quite a few years ago!!!). If you have any photos of yourselves here at Eccleston then just send them in or even better, email them to us and we will endeavour to embarrass you in front of the whole school.

Christmas Fayre—Thursday, 6th December

This year the Christmas Fair will be on Thursday, 6th December from 6pm-8pm.

There will be a variety of school run and external stalls on the evening and Father Christmas has suggested he may fit us into his busy Christmas schedule. Each class will also be selling handmade items, competing to make the most money and are currently devising their business plans, looking at ideas, costs and potential profit margins for what they will be making. Budding apprentices in action!

Our fabulous school choir will also be entertaining our early arrivers outside of the school entrance and half way through the fayre.

Thank you for your help and support and we look forward to welcoming you to the Christmas Fayre which promises to be yet another great event.

Applying for a Primary School Place

If you are looking for a Primary School place for next September (2019) then you have until 15th January, 2019 to apply. Click on the following link to apply for a place

<https://schooladmissions.lancashire.gov.uk/admissions512/prefs.php>

If you would like to look around the school or know anyone who does, simply ask them to phone or email school and I will be happy to show them around.

## New Books

A host of new books have been bought by the PTFA and these are making their way onto the shelves for the children to take home. They are predominantly non-fiction books which is a gap we've identified in the home readers, with some new fiction and poetry books to supplement them. As these are not scheme books, they don't come with an exact reading age but they do come with great interest, however, there might be slight variations in difficulty within the coloured stages. Do share and enjoy these books with your children. Our thanks once again go to our PTFA (FEPS) and you for your ongoing financial contributions at events.
